

# Woodchester Scrandicap

Woodchester/Strath/Langhorne Creek/Woodchester 36km

\*In addition to the normal handicap race prizes were also awarded to the fastest rider in each handicap group (highlighted in yellow)

\*Unfortunately one of the signs was pointing in the wrong direction.

John Tosach did a u turn to correct the place hence his slower time

A couple of the riders in the 13 min group made an incorrect turn but showed great sportsmanship in not protesting
